

Fact Sheet

Our cottage is located amidst the nature reserve of Anaga, a paradise for hiking and mountain biking, surrounded by almost 2 hectares of land, where bananas, papaya, mango and tropical plants are cultivated. The finca is situated in the south-east of Tenerife, approx. 40 m above sea level.

Throughout the year you will find a mild climate with average temperatures around 20° C. The unique situation of the estate represents peaceful silence and a spacious rural landscape.

Nearby, at approx. only 5 minutes by car, is the beach of Las Teresitas and the fishing village San Andrés. The daily shopping can be done at María Jiménez, a small village which is situated at approx. 600 m of distance.

A visit of Santa Cruz de Tenerife (approx. 10 min by car), the capital of Tenerife, and a seightseeing tour is an obligation.

Description

The rural estate which is composed of 2 antique country houses, was rehabilitated with extraordinary care, respecting the original details of its traditional canarian architecture.

Each cottage has 2 bedrooms, a lounge with an open kitchen, bathroom, canarian patio (cottage A) or veranda (cottage B) and allows a maximum occupancy of 5 people.

A pool with solarium, a BBQ area and the spacious garden area with fruit trees and tropical plants are at everyones disposal.

Furnishing

Country estate made of 2 independent cottages. Each house (max. 4 people) is completely fitted out and has 2 bedrooms, bathroom with shower, kitchen with ceramic stove top and a rustically decorated lounge area. A washing maschine is dispoisible for both houses.
